READERS TODAY. LEADERS TOMORROW.

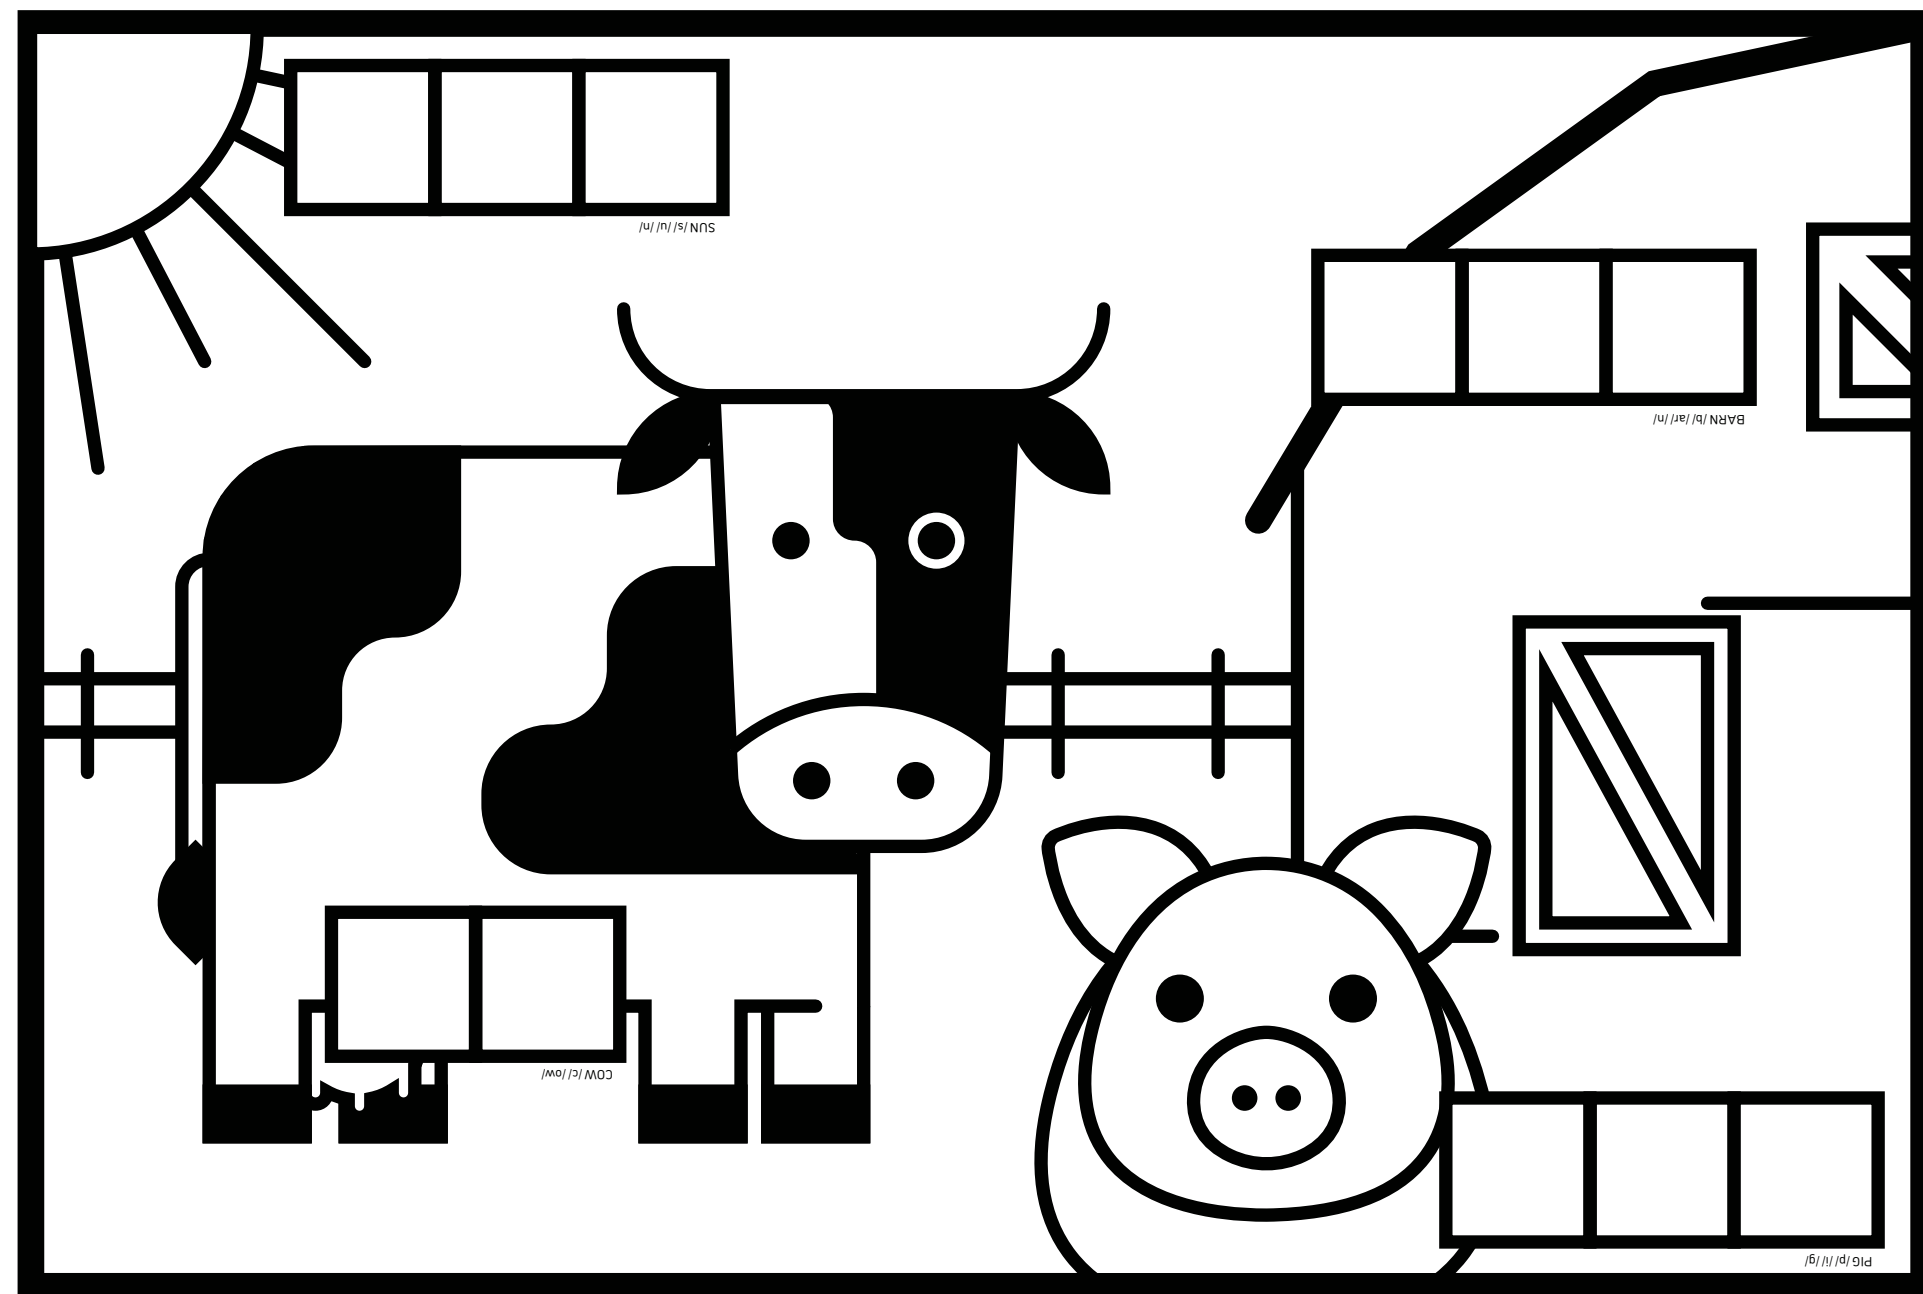

The Reading Initiative for Student Excellence (R.I.S.E. Arkansas) is transforming literacy education using the Science of Reading.

This page is full of activities supporting each of the five foundational components of reading — Phonemic Awareness, Phonics, Vocabulary, Comprehension, and Fluency. The Batesville School District puts students first and is creating **readers today, leaders tomorrow.**

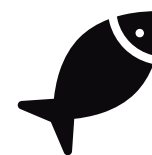

PHONEMIC AWARENESS

Find the illustrations with boxes below. Say the name of the picture then say each sound in the word. With your finger, tap one box for each sound. Example: BOX /b/ /o/ /k/ /s/
Alternatively: After you say each sound in the word, write the letter(s) that represent each sound.
